

**Welcome to Latin 102! (LATN102-05)**

# A brief tour of the course web site

<https://neelsmith.github.io/LATN102-05-S21/>

# Top-level divisions

- [Daily schedule](#): links to daily assignments
- [CBL lab](#): includes schedule of weekly activities
- [Syllabus](#): everything to know about this course
- [Checklist of assignments](#): one-stop shopping for graded submissions

# Don't forget!

Site search available on every page!

# Home page

- current announcements/reminders
- week in summary:
  - language features
  - vocabulary
  - exercises
  - due dates

# Daily schedule

- links for daily class preparation
- (pdfs of slides added after class)
- reminders of upcoming due dates

# CBL lab

- schedule of weekly activities

# Syllabus

Lots of information!

A few things to highlight:

- links to Zooms for [drop-in hours](#)
- on-line work: help and etiquette, see sections on [technology](#) and [course policies](#)
- explanation of [specification grading](#)

# Checklist of assignments

- calendar of due dates and last dates for revisions
- links to individual assignments
- *this page takes priority over dates in Canvas!*
